

I Won't Forget

Anthony Evans

He is the God who heals
He is the God who sees
He is the God who takes our burdens
And then he redeems

He is the God who forgives
He is the God who knows
Every one of our desires
And he satisfies our souls

I won't forget
All of your benefits
I won't forget

[CHORUS:]
Praise the Lord
Oh my soul
And all that is within me
And all that is within me

Praise the Lord
Oh my soul
And all that is within me
And all that is within me

Praise the Lord

He is the God who shows compassion
He knows that we are dust
And despite what we deserve
He shows kindness to us

I won't forget
All of your benefits
I won't forget

Far as the west is from the east
You taken the shame from me
I won't forget
I will not forget

Rivers long and oceans deep
Your love is flooding me
I won't forget
I will not forget
