

Never Fail

Anthony Evans

Our strength is renewed
In your presence
As we wait on you
Our Joy is restored
In your presence
As we worship you
Our faith cannot be shaken
Nothing can separate us

[CHORUS:]

The lord is with us
The lord is with us
Our God is for us
He will never fail

Our hope is revived
In your presence
As we sing to you
Your word comes alive
In your presence
As we trust in you
Our faith cannot be shaken
No one can separate us

[CHORUS]

He's defeated all
Of our enemies
He's put all things
Underneath our feet
He has conquered death
And given us victory

[CHORUS]

Every step we take
The Lord is with us
Every move we make
The Lord Is With us

[CHORUS]
