

# This Is My Thank You (Mommy's Song)

Anthony Evans

You always saw the best in me  
You're always there when I'm need  
You had your dreams but laid them down for me  
So I could have everything

This is my thank you  
This is I love you  
For taking care of every little thing

This is my thank you  
I don't know what I'd do  
If I didn't have the love a mother brings  
I don't know what I'd do or where I'd be  
This is my thank you

I know it's hard to see me grow  
But mom I really hope you know  
You showed me what true love  
What it's meant to be  
You gave me everything

This is my thank you  
This is I love you  
For taking care of every little thing

This is my thank you  
Don't know what I'd do  
If I didn't have the love a mother brings  
I don't know what I'd do or where I'd be

Thank you for guiding me  
Thank you for everything I did not see  
Thank you for helping me believe  
I could be the superhero that you saw in me

This is my thank you  
This is I love you  
For taking care of every little thing

This is my thank you  
Don't know what I'd do  
If I didn't have the love a mother brings  
I don't know what I'd do or where I'd be  
This is my thank you
