

# With You

Anthony Evans

You search and know  
And still you want to be close  
There's no place I can go away from You  
You see my mistakes  
Yet Your love for me never changes  
I won't be afraid Your love is greater

You know my thoughts  
You know my truth  
My darkest nights  
Still light to you  
[x2]

Your love for me is so deep  
It goes beyond my understanding  
I come alive when I'm with You

You know who I am  
You created me with your hands  
Before time began you had a plan for me  
Your peace endures  
And when I have less you give more  
Your desire for me is pure Your love's not insecure

You know my thoughts

You know my truth  
My darkest nights  
Still light to you  
[x2]

Your love for me is so deep  
It goes beyond my understanding  
I come alive when I'm with You

Everywhere I go you are there  
You hear every thought, every prayer  
I open up my heart to You  
I open up my heart to You  
[x2]

You know, You know  
You see every part of me  
My darkness still light to you

You know my thoughts  
You know my truth  
My darkest nights  
Still light to you

Your love for me is so deep  
It goes beyond my understanding  
I come alive when I'm with You
