

## Your Way

Anthony Evans

I'm ready  
To let go of the pain  
I'm willing  
To lay down every weight  
Its over  
I'm ready for a change  
As I give it all up I believe there is more I'll gain

Your way  
Leads me to a peace

I'm amazed  
How your mercy carries me  
Your grace oh mighty waterfall  
I cannot contain it all  
The power of a love I can't explain  
Is in your your way  
Your way
