

# Anytime

Anthony Green

Shouldn't mind at all, but I hate it  
'Cause it's the same old story  
The more I try, the more I can't get back  
You don't even know what you did to me  
'Cause it has no ending  
The moment that I see you, I come back to life

Anytime you want me, I'll be there  
(Anytime, anytime now)  
Anytime you want me, I'll be there  
(Anytime, anytime child)

We could have had it all, but you gave it up  
You've got to stop pretending  
The more I try, the more I can't get back  
You don't even know what you did to me  
It's the same old story  
I wouldn't have it any other way at all

Anytime you want me, I'll be there  
(Anytime, anytime now)  
Anytime you want me, I'll be there  
(Anytime, anytime child)

Give me what you got, girl  
You're never alone, even if I'm far away  
Know I'm loving you the second I'm home  
Anytime you want me, I'll be there
