

Diamond Eyes

Anthony Green

To the edge
Til we all get off
I will take you away with me
Once and for all

Time will see us realign
Diamonds rain across the sky
Shower me into the same realm, ohh

Calculate our embrace
I will take you alone with me
Once and for all

Time will see us realign
Diamonds rain across the sky
Shower me into the same realm

When the coffin shakes
And the needle breaks
Come, come run away, run away with me, with me
Once and for all

Time will see us realign
Diamonds rain across the sky
Shower me into the same realm

Time will see us realign
Diamonds rain across the sky
Follow me into the same realm
