

# Megadeth

Anthony Green

You can get all of the love you want, you want  
You can give all of the love you want, if you want to

We can make believe we are Megadeth  
We are Megadeth in our heads  
I can just pretend I am Dave Mustaine  
Singing Symphony of Destruction all day long  
Symphony of Destruction all-

You can dream all of the dreams you want, if you dare to  
You can dream all of the dreams you want, make them all come true

We can make believe we are Megadeth  
We are Megadeth in our heads  
I can just pretend I am Dave Mustaine  
Singing Symphony of Destruction all-

We can make believe we are Megadeth  
We are Megadeth in our heads  
I can just pretend I am Dave Mustaine  
Singing Symphony of Destruction all-

We can make believe we are Megadeth  
We are Megadeth in our heads  
I can just pretend I am Dave Mustaine  
Singing Symphony of Destruction all day long

Singing Symphony of Destruction all day long
