

## Soul 4 My Soul

Anthony Green

I know I've been untrue  
And it's been affecting the both of us  
How can I eliminate your doubt?  
Why should you trust me?  
Trust me now

Please believe I am through deceiving  
I don't wanna feel that shame again, no  
Trust when I say, I will always love you

Soul for my soul  
Soul, soul for my soul

I know that it's not too smooth  
I know it's not the smartest thing I should say  
But I can't imagine a day without you  
I can't imagine a day without you in it

Please believe, I am through deceiving  
I don't wanna feel that shame again, no  
Trust when I say, I will always love you  
Please believe, say you'll never leave me

Soul for my soul  
Soul, soul for my soul  
For my  
Soul, soul for my soul  
Soul, soul for my soul  
For my  
Soul, soul for my soul  
Soul, soul for my soul  
For my  
Soul, soul for my soul  
Soul, soul for my soul  
For my  
Soul, soul for my soul  
Soul for my soul  
For my soul  
For my soul  
Soul for my soul...
