

Fallin'

Anthony Hamilton

Baby, I think it's time to let you know
To let you know I'm fallin' in love in love, in love with you
Although my feelin's have grew longer, I can't take it any longer
Baby, tell me what to do, 'cause I'm fallin' in love with you, baby

Help me, baby, I'm fallin'
Your love's got me callin' onto you
I'm longin' for your love
Help me, baby, I'm fallin'
Your love's got me callin' onto you
I'm longin' for your love, oh baby

Help me now, 'cause I'm fallin', and I'm callin'
Ooh, please come ease the pain, and erase the stain
And I never thought I'd see, love grab hold of me, the reality
Now that I realize, help me I'm losin' my mind

(There's no better time than the present
To feel your essence, or better yet be in your presence)
No better time, baby
'Cause I'm fallin' in love with you, baby
(I need your lendin' hand in, understandin'
To know exactly where I stand at)
Lady, come and give me a clue
'Cause I don't know what to do

Help me, baby, I'm fallin'
Your love's got me callin' onto you
I'm longin' for your love
Help me, baby, I'm fallin'
Your love's got me callin' onto you
I'm longin' for your love, oh baby
Help me, baby, I'm fallin'
Your love's got me callin' onto you
I'm longin' for your love
Help me, baby, I'm fallin'
Your love's got me callin' onto you
I'm longin' for your love, oh baby

(There's no better time than the present
To feel your essence, or better yet be in your presence)
There's no better time, baby
'Cause I'm fallin' in love with you, lady
(I need your lendin' hand in, understandin'
To know exactly where I stand at)
Please come and give me a clue
'Cause I don't know what to do, ohhh

Help me, baby, I'm fallin'
Your love's got me callin' onto you
I'm longin' for your love
Help me, baby, I'm fallin'
Your love's got me callin' onto you
I'm longin' for your love, oh baby
Help me, baby, I'm fallin'
Your love's got me callin' onto you
I'm longin' for your love
