

I Wanna Be With You

Anthony Hamilton

She means the world to me
Bein' my everything
I don't understand it
Yeah, baby, girl wait
(Uh-huh) She was my ever (Uh-huh)
Oooh, ohh (Uh-huh)
(Uh-huh) Ooooooooooh
(Uh-huh, uh-huh)

I wanna be with you for the rest of my life
You're the only one that means the world to me (mean the world to me)
I didn't need fancy car, birds or diamond rings
The love you had meant everything to me, yeah (me yeah)

I wanna be with you, ain't no time to waste
You put a smile on my face
Every time I'm with you
It feels like I'm in heaven
I wanna be with you, ain't no time to waste
You put a smile on my face
Every rose you throw now
I just sit and think of you

God only knows you take control of my soul
And you take me for a ride every time you're with me (when you're with me)
You are warm in spirit, you are warm at heart
Why did you have to leave? Why did we ever have to part?

Time came and took you away
I thought you were here to stay
Why'd you have to leave me?
Why'd you have to leave and go away?
Time came and took you away
I thought you were here to stay
Why'd you have to leave me?
Why'd you have to leave and go away? (I don't know why)

I wanna be with you, ain't no time to waste
You put a smile on my face
Every time I'm with you
It feels like I'm in heaven
I wanna be with you, ain't no time to waste
You put a smile on my face
Every rose you throw now
I just sit and think of you
I wanna be with you, ain't no time to waste
You put a smile on my face
Every time I'm with you
It feels like I'm in heaven
I wanna be with you, ain't no time to waste
You put a smile on my face
Every rose you throw now
I just sit and think of you

Ohh, ohh, ooh
Ohh, ohh, ooh
Why'd you have to leave and go away?

I wanna be with you, ain't no time to waste
You put a smile on my face
Every time I'm with you
It feels like I'm in heaven
I wanna be with you, ain't no time to waste
You put a smile on my face
Every rose you throw now
I just sit and think of you
I wanna be with you, ain't no time to waste
You put a smile on my face
Every time I'm with you
It feels like I'm in heaven
I wanna be with you, ain't no time to waste
You put a smile on my face
Every rose you throw now
I just sit and think of you
I wanna be with you, ain't no time to waste
You put a smile on my face
Every time I'm with you
It feels like I'm in heaven
I wanna be with you, ain't no time to waste
You put a smile on my face
Every rose you throw now
I just sit and think of you
I wanna be with you, ain't no time to waste
You put a smile on my face
Every time I'm with you
It feels like I'm in heaven
I wanna be with you, ain't no time to waste
You put a smile on my face
Every rose you throw now
I just sit and think of you

I can't live without your love
It's you that I love
You that I want
