

I Will Go

Anthony Hamilton

Good evening, ladies and gentlemen
Welcome to the Uptown sound
WUPT FM
I'm your host for this evening, Rich Nice
And we'll be listening to the soulful sounds
Of the dynamic Anthony Hamilton featuring Terri Robinson
So lay back, and feel the soul

I will go with you anywhere, or anyplace
Just to see that lovely smile upon your face
Oh girl, I would do
Anything you want me to
I'll give you my time, my joy
And a love that's a hundred proof, oh baby

Baby, I'll go and do
Just what you want me to
Give me your hand, baby
And lead the way, honey
Baby, I'll go and do
Just what you want me to
Give me your hand, baby
Lead me the way, honey

Lead me love me all the way
For someone like you, oh God, I pray
To be your lover and your wife (to be your lover)
With you, boy, I'm satisfied
It would be my pleasure
To lead you all the way, girl, it's you I treasure (to lead you all the way)
Just to go and be with you
There ain't nothing I won't do

Baby, I'll go and do
Just what you want me to
Give me your hand, baby
And lead the way, honey
Baby, I'll go and do
Just what you want me to
Give me your hand, baby
Lead me the way, honey

You are the one, that I adore
And I want you here, forever more
'Cause I love you, baby (you know I love you)
And I want you lady
And I don't need any persuasion
Cause you are the one for my every situation
And wherever you are
Baby, I will go

Baby, I'll go and do
Just what you want me to
Give me your hand, baby
And lead the way, honey
Baby, I'll go and do
Just what you want me to

Give me your hand, baby
Lead me the way, honey

Baby I'll go, and do
Just what you want me to
Anything for you, I'll go and do
'Cause you are my risin' sun, my only one
That makes my dreams come true
Baby I'll go, and do
Baby I'll go, and do
Just what you want me to
Anything for you, I'll go and do
'Cause you are my risin' sun, my only one
That makes my dreams come true
Baby I'll go, and do
