

Please Stay

Anthony Hamilton

Its gotten too late
And I've exceeded the moments
To make you stay (Hey Baby)
I must've been a fool to run around
and not once Stop to check on you (Hey Babe)
Now I lost my mind
And I've given up the time
That I could've shared with you
And If I had my way
I would go down on my knees
and ask my God to make you stay

I will make you stay baby,
I'll make you Stay,
I will try everything,
I'll go down on my knees,
To Make you Stay,
I will try everything

Its gotten too late
I got caught on the wrong side
And lost my way (Hey Babe)
I stayed gone too long
And never once had the time to
Just pick up the phone and call you girl

You see

See now I drunk a few
I slept around on you
I pity the fool who would do that to you
Now I've lost your trust
And I've embarrassed us
I need somebody to pull me out this mess

I will make you stay baby,
I'll make you Stay,
I will try everything,
I'll go down on my knees,
To Make you Stay,
I will try everything

I'll give up everything
You see I need you baby

I will make you stay baby,
I'll make you Stay,
I will try everything,
I'll go down on my knees,
To Make you Stay,
I will try everything
