

Spend Christmas with You

Anthony Hamilton

Girl, it's that time
To be alone with you, oh, what a night
For the holiday, you'll be mine
Let me share some love with you this Christmastime

All our friends and folks are here
Our hearts are filled with cheer
Only thing I really need
Is having you right next to me
Want you present with me, girl
You're my joy to the world
You can be my everything
On this Christmas holiday

It's that special time of year
I can't wait to have you near
I've been wishing on a star
And I hope it brings you here
'Cause it's Christmastime again
Waiting around for old St. Nick
Hope he makes my wish come true
That I can spend this Christmas with you

Oh, I've waited for you all year long
And finally the time has come to feel you in my arms
I'm wishing you could stay, things would be my way
Girl, I need you here beyond this holiday

Well, all our friends and folks are here
Our hearts are filled with cheer
Only thing I really need
Is having you right next to me
Want you present with me, girl
You're my joy to the world
You can be my everything
On this Christmas holiday

It's that special time of year
I can't wait to have you near
I've been wishing on a star
And I hope it brings you here
'Cause it's Christmastime again
Waiting around for old St. Nick
Hope he makes my wish come true
That I can spend this Christmas with you
It's that special time of year
I can't wait to have you near
I've been wishing on a star
And I hope it brings you here
'Cause it's Christmastime again
Waiting around for old St. Nick
Hope he makes my wish come true
That I can spend this Christmas with you

Oh baby
I just wanna spend a little time, oh yeah
Just me and you, just me and you

Together tonight, oh yeah, yeah, yeah, yeah

It's that special time of year
I can't wait to have you near
I've been wishing on a star
And I hope it brings you here
'Cause it's Christmastime again
Waiting around for old St. Nick
Hope he makes my wish come true
That I can spend this Christmas with you
It's that special time of year
I can't wait to have you near
I've been wishing on a star
And I hope it brings you here
'Cause it's Christmastime again
Waiting around for old St. Nick
Hope he makes my wish come true
That I can spend this Christmas with you (Oh yeah)
It's that special time of year
I can't wait to have you near
I've been wishing on a star
And I hope it brings you here (Oh yeah)
'Cause it's Christmastime again
Waiting around for old St. Nick
Hope he makes my wish come true
That I can spend this Christmas with you, oh

It's that special time of year
I can't wait to have you near
I've been wishing on a star
And I hope it brings you here (Yeah)
'Cause it's Christmastime again (Again)
Waiting around for old St. Nick
Hope he makes my wish come true
That I can spend this Christmas with you
