

The Point of It All

Anthony Hamilton

I can't stay away from you too long
Even if I do I'll always call
Checkin' on you make sure you're ok
Be the one to brighten up your day

And the point of it all
Is I love you
You know I love you baby

My days seem long whenever we're apart
It's like someone had thrown away my heart
You're a major part of my life
And no matter what the storm may bring
I'm fine with you,

And the point of it all
Is I love you
And the reason for it all
Is I love you

O I love
O I love you
O my love

I can't stay away too long
I can't stay away from you baby
Don't wanna be without you
I need you
O why don't you stay around for awhile

And the point of it all
And the point of it all
And the point of it all
And the point of it all
Ohhohh, and the reason for it all
And the point of it all
Is that I love you
Yeah, I love you

Whenever we're apart
It damn near starves my heart
And I don't ever want to be apart
