The Point of It All

Anthony Hamilton

I can't stay away from you too long Even if I do I'll always call Checkin' on you make sure you're ok Be the one to brighten up your day

And the point of it all Is I love you You know I love you baby

My days seem long whenever we're apart It's like someone had thrown away my heart You're a major part of my life And no matter what the storm may bring I'm fine with you,

And the point of it all Is I love you And the reason for it all Is I love you

O I love O I love you O my love

I can't stay away too long I can't stay away from you baby Don't wanna be without you I need you O why don't you stay around for awhile

And the point of it all Ohhohh, and the reason for it all And the point of it all Is that I love you Yeah, I love you

Whenever we're apart It damn near starves my heart And I don't ever want to be apart
