

# Where Did It Go Wrong?

Anthony Hamilton

I didn't not make those mistake girl in my life  
I don't know, everything I tried to do took  
another route, she bailed out on me  
you didn't have to make like a thief girl stole my life  
rob me blind, now this wounds  
gettin' deeper see my blood as I cry

Where did it all go  
How did it go wrong  
Tell us what to do  
can I depend on you

A punctured heart has no closure torn for life,  
and its gonna take God's hand to cure me to get  
another try, me by oh no, I had to fight strong like a soldier,

so rooted by fake and it been shame oh  
no, how do i trust over and over I guess  
I have to wait to see my faith

Where did it all go  
How did it go wrong  
Tell us what to do  
can I depend on you

I hope I can depend on you  
to come through  
you shamed me once stole my family name,  
but still I want you  
I might be a fool to wait around on you,  
but love has no apologies and no respect for me,  
where did it go wrong

Where did it all go  
How did it go wrong  
Tell us what to do  
can I depend on you
