

Échale

Anthony Ramos

Échale

We gon' take it all the way
Turn the music up, go and grab another drink
Pull somebody close, feel the tension escalate
Let 'em call the cops, we gon' turn up either way
Échale

Said enough

Said enough with no words, I can tell that you want me, oh
By the look in your eyes, I can see that we're goin' all night long
All night long, we gon' be, oh
We gon' be, oh (Ayy, ayy)

Do what you want now

Baby, yeah, you know there's no question (Hey)
Turn around and teach me a lesson
Touch while you whisper your deepest confessions
Got me now, yeah, you got my attention
I see, everyone here getting faded
Oh, the energy here so amazin'
We're about to let loose and go crazy

Échale

We gon' take it all the way
Turn the music up, go and grab another drink (Grab another drink)
Pull somebody close, feel the tension escalate (Feel the tension escalate)

Échale (Oh, oh-oh, oh, échale, échale)
Échale (Oh, oh-oh, oh)
Échale (Oh, oh-oh, oh, oh)
Échale (Hey, hey, hey)

Bottle after bottle, keep it poppin'

You can pick your poison, ain't no problem, we got it
No one gotta know about it
Échale, échale, échale
Makin' you move, so hypnotic, hey
Move it like you just don't care
Like nobody else is there
Keep it up, we keepin' up, we keepin' it goin'
No mi no pare (Hey, hey, hey)
