

# Either Way

Anthony Ramos

I'm sad (I-I know)  
I'm mad (I-I know, c'mon)  
I feel bad (I-I know)  
But whatcha gon' do sittin' round in your house all sad? (I-I know)  
All mad (I-I know, c'mon)  
Feelin' bad (I-I know)  
But whatcha gon' do sittin' 'round in your house like

I gotta wait on a call 'bout a job, said they'd call at five, it's eight  
And my mom's on the other line, wonder why I ain't call her back today  
And my kids in my ear like I can't hear, pullin' on my last nerve  
And my man said he sext me but he's still at work (He lyin')

You got your problems, I got a bottle, let's wash it all away  
I know you're cryin', your bills are high and your checks are comin' late  
I got a question, all of this stress, did it ever solve a thing?  
'Cause whether you do, or whether you don't  
Life gon' keep happenin'

Either way (Yeah, yeah)  
Either way (Yeah, yeah)  
Either way (Hey, yeah, yeah)  
Either way (Yeah, yeah)  
Either way

Had plans with your best friend, since she got a man, she be M.I.A  
Talkin' 'bout how you're tryna go to sleep 'cause you're tired of this long-ass day  
And I know it's cold, so go get your coat, I'ma call a cab, we out  
'Cause there ain't no excuses  
Stop messin' around

You got your problems, I got a bottle, let's wash it all away  
(Let's wash it all away)  
I know you're cryin', your bills are high and your checks are comin' late  
(Checks are comin' late)  
I got a question, all of this stress, did it ever solve a thing?  
'Cause whether you do, or whether you don't  
Life gon' keep happenin' (Hey)

Either way (Yeah, yeah)
