

Isabella

Anthony Ramos

Ayy, babe
How's it going? (How's it going?)
I just need a minute to talk, can you stop
Whatever you're doing? (You're still moving)
You've been working hard of late
Long hours, long days
So I booked us a flight for tonight
Out of JFK (JFK)

Let's go away, Isabella (Isabella)
Let's go away, us together (Us together)
Let's go away, Isabella (Isabella)
'Cause there ain't nothing better
Than the moments that we're making forever, Isabella

Ayy, babe, oh yeah
It's like in the movies
We can just fly, grab a ride
And drive to the boonies
There ain't no time to think
Only time to sink
Into my arms, under the stars
With a drink (Yeah, baby)

Let's go away, Isabella (Isabella)
Let's go (Let's go) away (Away), us together (Us together)
Let's go (Let's go) away (Away), Isabella (Isabella)
'Cause there ain't nothing better
Than the moments that we're making forever, Isabella
Let's go, oh, oh (Go)
Go, oh, oh (Let's go)
'Cause there ain't nothing better
Than the moments that we're making forever, Isabella

There's gonna be a rough patch (Yeah)
We always gonna go through this and that (This and that)
But in the end, it's all gonna be worth it
So take your time for you 'cause you deserve it
So don't worry about your job (Don't worry)
Whoever you was gonna meet tomorrow (Don't do it)
Already gave the dogs to my mom (I did)
Got the crib locked up, keep calm (Keep calm)
It's just you and me (Baby), mojitos on the beach
Everything you need where the ocean meets the sea, yeah

Let's go away, Isabella (Oh babe, oh yeah, Isabella)
Let's go away, us together (Let's go away, us together)
(On the sand, on the beach) Let's go
(Talking for hours and hours, oh) Away, Isabella (Isabella)
'Cause there ain't nothing better
Than the moments that we're making forever, Isabella (Oh)
(Oh, there ain't nothing better, there ain't nothing better)
So let's go, oh, oh (Let's go)
Go, oh, oh (Oh, go)
'Cause there ain't nothing better
Than the moments that we're making forever, Isabella
