

Mind Over Matter

Anthony Ramos

I see you over there cookin' while you over there lookin' like a five-course (Just five?)
I walk over to the kitchen and I feel a little smitten with the way the oil pour (Like this?)
Wrap my hand around your waist (Yeah)
Put my cheek up on your face (Okay)
Turn you 'round so you could see what you cookin' up in me

I wanna be generous (Uh)
A little more tenderness (Uh-huh)
Feel you feeling better than you did before
I'm taking it serious (Uh)
A little more time with it (Uh-huh)
Emotional, physical, it's so much more

'Cause when we makin' love, real love
We take it deeper, mind over matter
Yeah, when we makin' love, real love
It's like a healer, mind over matter (It never matter)

Put the pillow where you want it just in case we gotta pause it for a little breather (Right here?)
'Cause when you comfy I can explore your body make me wish I was a mind reader (Yeah, yeah)
I'm gon' work harder
Gon' touch you smarter
You know I'm gonna find the new surprises

'Cause when we makin' love, real love
We take it deeper (We take it deeper), mind over matter
Yeah, when we makin' love, real love
It's like a healer, mind over matter

We makin' love (Real love), real love, real love
We makin' love (Real love), real love, real love
We makin' love (Real love), real love, real love
We makin' love (Real love), real love, real love
We makin'

You got that good, good, deep like a therapist
All in my head while I'm lickin' your areas
Give me them feels like that strong sativa
Curing my pain, call you "Aleve Ya"
The only one for me looking at you
Made you (Uh)
I'm goin' for two
3 o'clock (Ooh)
4 o'clock (Ooh)
5 o'clock (Ooh, ooh, ooh)

'Cause when we makin' love (Yeah), real love
We take it deeper, mind over matter (Mind over matter)
Yeah, when we makin' love, real love (We makin' love)
It's like a healer, mind over matter (Mind over matter)

We makin' love (Real love), real love, real love
We makin' love (Real love), real love, real love

We makin' love (Real love), real love, real love
We makin' love (Real love), mind over matter
(It never matters)
