

# Right Now

Anthony Ramos

Uh  
Oh, yeah  
Ooh, yeah

You say I'm the only  
But why is it when we're together I feel so lonely?  
You're scrolling, you scroll on your phone  
You're looking for nothing (Ooh, woah)  
Like you're missing something (Ooh, woah)  
Am I not the only one?

You keep telling me it's alright, telling me we're alright  
Playin' this game for so long  
We keep acting like it's all fine, but I know it ain't right  
I don't think you could, no  
I don't think you could love me right now  
Right now, right now (Right now)  
I don't think you could love me right now (Oh)  
Right now, right now, yeah  
I don't think you could love me right now

Don't understand why you playing (Oh)  
You're playing my heart and my ego  
One day we're chill and it's all good  
The next it feel like you let go  
Our stay up late conversations (No-oh)  
It's like I'm always just chasin'  
The love between us is fading  
Don't know how long I can take it  
I feel alone when I'm with you  
This kinda thing I ain't used  
Don't know what's a lie or what's true

You keep telling me it's alright, telling me we're alright  
Playin' this game for so long  
We keep acting like it's all fine, but I know it ain't right (We keep, we keep, I know)  
I don't think you could, no  
I don't think you could love me right now  
Right now, right now  
I don't think you could love me right now (Oh)  
Right now, right now, (Oh-oh) yeah  
I don't think you could love me right now

Don't want to be without ya  
I don't want to breathe without ya (Oh, no)  
It's hard to be around ya, oh-oh, yeah (Be around ya)  
No, we ain't the same together (Oh-oh)  
I guess I feel something better  
I don't think you could, no  
I don't think you could love me right now

No, you can't love me (Right now)  
No, you can't love me (Right now)  
No, you can't love me, no  
I don't think you could love me right now  
No, you can't love me (Right now)

No, you can't love me (Right now)  
No, you can't love me, no (Yeah)  
I don't think you could love me right now (Oh, babe)  
No, you can't love me (Right now)  
No, you can't love me (Right now)  
No, you can't love me, no  
I don't think you could love me right now (Oh)  
No, you can't love me (Right now)  
No, you can't love me (Right now)  
No, you can't love me, no (Yeah)  
I don't think you could love me right now
