

Can't Go Wrong

Anthony Russo

'Cause you can't go wrong
What are you on? 'Cause you can't go wrong
What are you on? 'Cause you can't go, can't go wrong
What are you on? 'Cause you can't go wrong
'Cause you can't go, can't go wrong

Touching the sky, my feet on the ground
Your legs in the air, we messing around
You got away from somebody else
But that won't be me, so kiss me and tell

Oh won't you open up to me my love?
Unlock and throw away the key my love
My momma told me how to treat my love (my love)
Whatever you want it to be my love, it's gon' be my love
You can say what you want when you want 'cause you can't go wrong
How does it feel? What are you on?
You can say what you want when you want 'cause you can't go wrong
How do you feel? What are you on?

Head in the clouds, hands on your waist
Body's in motion, you set the pace
Let me go down, see how it taste
Rolling around, all tangled up, all over the place

Oh won't you open up to me my love?
Unlock and throw away the key my love
My momma told me how to treat my love (my love)
Whatever you want it to be my love, it's gon' be my love
You can say what you want when you want 'cause you can't go wrong (go wrong)
How does it feel? (how does it feel?) What are you on? (what are you on?)
You can say what you want when you want 'cause you can't go wrong
How do you feel? What are you on? (what are you on?)

'Cause you can't go wrong
What are you on? 'Cause you can't go wrong
What are you on? 'Cause you can't go, can't go wrong
What are you on? 'Cause you can't go wrong
'Cause you can't go wrong

The day I met you was a dream
Most beautiful I'd ever seen
And now I finally felt complete
I swear that I could never leave
I won't leave, I won't leave!

Oh won't you open up to me my love?
Unlock and throw away the key my love
My momma told me how to treat my love (my love)
Whatever you want it to be my love, it's gon' be my love
You can say what you want when you want 'cause you can't go wrong (can't go wrong)
How does it feel? (how does it feel?)
What are you on? (what are you on?)
You can say what you want when you want 'cause you can't go wrong
How do you feel? (how do you feel?) What are you on?

'Cause you can't go wrong
What are you on? 'Cause you can't go wrong
What are you on? 'Cause you can't go, can't go wrong
What are you on? 'Cause you can't go wrong
'Cause you can't go, can't go wrong
What are you

Oh baby, I'm ready
Oh baby, I'm ready to go, oh yeah
Oh baby
You can say what you want when you want 'cause you can't go wrong
