

# Catch A Plane

Anthony Russo

Ay

Girl, look at what we started here  
Vulnerable, but together we can face our fears  
On our own, going till we in the clear  
If you can wait on me, babe  
I'ma clear my calendar  
Makin' time, 'cause my future only call for ya  
Ain't a lot, I'ma fly around the world for ya  
If you can wait on me, baby

Oh, while we young  
If we move as one  
What we could become  
If we only take a chance tonight

I got this cosmic curiosity  
We're starcrossed like it's meant to be  
Am I pushing against destiny,  
If I don't catch this plane and come meet ya?  
Forget what they all said to me  
They think they know what's best for me  
But you're the one I know I need  
So I'll catch this plane and come meet ya

Missin' ya, and I ain't even met you yet  
On the phone, staring at the messages  
Ooh, girl, you so damn amazing  
Comin' in broken, know you gon' save me  
Imagine this, summers with the family  
Having kids, American and Portuguese  
My God, it's making me crazy  
Pops said, "Don't go", and mama said, "No babies!"

Least while we young  
And still having fun  
But you're the one  
So I'm gonna take this chance tonight

I got this cosmic curiosity  
We're starcrossed like it's meant to be  
Am I pushing against destiny,  
If I don't catch this plane and come meet ya?  
Forget what they all said to me  
They think they know what's best for me  
But you're the one I know I need  
So I'll catch this plane and come meet ya

So I'll catch this plane and come meet ya  
So I'll catch this plane and come meet ya

And you can meet me by the baggage claim  
We don't gotta say a thing  
Baby, let me kiss you first  
People thinkin' it's rehearsed  
Thanking God that I got on this plane  
Picasso couldn't paint it like this

Cupid couldn't aim it like this  
I'ma freeze this place in time  
I got diamonds on my mind  
If I ever need to prove it like this

I got this cosmic curiosity  
We're starcrossed like it's meant to be  
Am I pushing against destiny,  
If I don't catch this plane and come meet ya?  
Forget what they all said to me  
They think they know what's best for me  
But you're the one I know I need  
So I'll catch this plane and come meet ya

So I'll catch this plane and come meet ya  
So I'll catch this plane and come meet ya
