

# Good Love

Anthony Russo

Yeah

You hit me up when I'm back home  
We pick up right where we left off  
I always knew that it was us, baby  
We got love but don't got trust baby  
Yessir, how 'bout you come slide on me?  
No pressure, yeah, you've always been a vibe to me  
That's for sure, maybe this gon' be our time?  
(Time, time)

Baby tell me what it is, tell me what it ain't  
Pulling up at three, guess I'm wide awake now  
You ain't gotta leave if you wanna stay (Nah-nah)  
It ain't gotta be all that complicated  
Whatchu want to drink? Baby, do you smoke? (Do you smoke?)  
We could keep it live, we could do the most  
You ain't gotta stay if you wanna go  
If it was up to me no hesitation

I would hit you with that good love, good love, love  
Type of shit that make your toes curl, like it like that  
You can't have it just once, gotta run it right back

Yeah, baby let me put the designer on your waist  
I'ma get you there 'cause I know what it takes  
I'ma beat it up, speed it up like Nascar, anything you ask for, oh wo  
ah

It isn't the place what we decide  
And it feels right (Feels right)

Baby tell me what it is, tell me what it ain't  
Pulling up at three, guess I'm wide awake now  
You ain't gotta leave if you wanna stay (Nah-nah)  
It ain't gotta be all that complicated  
Whatchu want to drink? Baby, do you smoke? (Do you smoke?)  
We could keep it live, we could do the most  
You ain't gotta stay if you wanna go  
If it was up to me no hesitation

I would hit you with that good love, good love, love  
Type of shit that make your toes curl, like it like that  
You can't have it just once, gotta run it right back  
I would hit you with that good love, good love, love  
Type of shit that change your whole world put it on track  
You can't have it just once, gotta run it right back

Gotta run it right back  
Gotta run it right back  
Gotta run it right back
