

Hit N Run

Anthony Russo

Come on and ride with me
On your wildest dreams
When you're on top of me
I wanna take you to your top speed
Hit the brakes

Cause you don't think twice before you just get moving
And walk away from what you ruin
Don't play me girl you know what you were doing
What happened to owning your actions
Why are you so fake with your captions
Girl I can tell you been practicing
Yeah, yeah
The truth is
This girl is ruthless
I'm out of excuses
Why am I still holding on, on, on
You had me from the start
I was to young to play the part
You got exactly what you want
But I know exactly who you are, yeah
You meant everything to me
Got a body that you gotta switch lanes to see

For real, I can take the chance getting obsessed
It's obvious your life is a wreck
Let me put it like this
It's a risk when you come right through
I need insurance for someone like you

You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some

Hypnotize
With your hips and thighs
Let me skrt my top
Let me skrt, skrt my tires
Baby could we leave for a minute
Hit the road just drive
Without anywhere to go just vibe
Head out the window hair spinning
Sunset in the background that's the image
Took a wrong turn somewhere and I missed it
Damn, you ain't the same girl I remember
Do your damage take off with no witness
Why you hurt so bad I don't get it
At it again, she's at it again
No accident
Method to your madness
Dummy in your crash test

For real, I can take the chance getting obsessed
It's obvious your life is a wreck
Let me put it like this
It's a risk when you come right through
I need insurance for someone like you

You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some

I think we
We could've been alright
We could've walked out alive
But you, you got too reckless
No disrespect, but you're no longer my type

You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
You're just a hit and run
You're just a hit and run
Girl you just wanted fun
And yeah I gave you some
