Baby, call me on the phone
I'm waiting for you to let me know
If you want me to lie
Say the word and I'll slide

Pour some Henny in my cup, light it up
You throw it back I crush
Say she do whatever I want
I said, "Don't you ever change up?"
Lives are full of that expensive shit
Gucci Prada bags
Constellations from the past
Relationships they ended bad
Now she done
Had enough
I can't blame you that shit rough
But just listen girl I'm different and I ain't gonna do you wrong I promise

Baby, call me on the phone
I'm waiting for you to let me know
If you want me to lie
Say the word and I'll slide
Baby, we can take it slow, I'm patient
But would you tell me if I stay on your mind?
Like you do in mine, oh-oh-oooh

Apex, take me to apex
Shatter my ego got me defenseless
Oh, you feel like magic
And you know it
Slow-motion, oh baby, and you know it ain't fair to me
I don't want your free time girl, I ain't a charity
Just hit me on your way home, I'll pull up on you tonight

Baby, call me on the phone
I'm waiting for you to let me know
If you want me to lie
Say the word and I'll slide
Baby, we can take it slow, I'm patient
But would you tell me if I stay on your mind?
Like you do in mine, oh-oh-oooh
