

Midnight

Anthony Russo

Why do you make
Make me try
Try so hard
Made it in
Made it past all the guards
Are you leading me on tonight?
Are you leading me on tonight?

Give a taste then you throw it away
Give and take is this all just a game
Are you leading me on tonight?
Are you leading me on tonight?

I need to know
Should I be afraid of getting close to you
Should I walk away and look for someone new
I can't read your mind so tell me what to do
It's all on you

Are you feeling this?
Are you feeling like something don't feel right feel right
Are you feeling like something don't feel right feel right
I'm waiting
(Yeah)
Just say it
(Girl)
Are you feeling this?
Because I could be gone by midnight midnight

Can't explain how to know when it's right
There's a flash, there's a spark, there's a light
Are we keeping it on tonight?
Are we leaving it on tonight?

I need to know
Should I be afraid of getting close to you
Should I walk away and look for someone new
I can't read your mind so tell me what to do
It's all on you

Are you feeling this?
Are you feeling like something don't feel right feel right
Are you feeling this?
Are you feeling like something don't feel right feel right
I'm waiting
(Yeah)
Just say it
(Girl)
Are you feeling this?
Because I could be gone by midnight midnight

Are you feeling this?
Are you feeling like something don't feel right feel right
Are you feeling this?
Are you feeling like something don't feel right feel right
I'm waiting
(Yeah)

Just say it
(Girl)
Are you feeling this?
Because I could be gone by midnight midnight

Tell me what you like
I can't read your mind
I'm waiting
(Yeah)
Just say it
(Girl)
Are you feeling this?
Because I could be gone by midnight midnight
