

# Run The Wrong Way

Anthony Russo

The roads getting hard to follow somewhere in Colorado  
I was alone when the rain came  
It washed away all of the memories that I had of you  
I'm not my father's brother  
I'm not the type  
Type to

Run the wrong way  
Run the wrong way, wrong way  
Run the wrong way  
Run the wrong way home  
Run the wrong way  
Run the wrong way, wrong way  
Run the wrong way  
Run the wrong way home

Watched the days roll by  
Under empty skies  
Hard to feel like anyone worth loving  
Don't forget your why  
That will be your guide  
When you're losing who you are, you are

Keep the lights on when I go  
'Cause one day I'll come back  
All alone

(Run the wrong way)  
(Run the wrong way, wrong way)  
(Run the wrong way)  
(Run the wrong way home)  
(Run the wrong way)  
(Run the wrong way, wrong way)  
(Run the wrong way)  
(Run the wrong way home)
