

# Your Lonely Mind

Anthony Russo

I never knew that wanting you  
Would take me this far  
If you going through then I'm going to  
That place in the dark, yeah

So could you wait for me before you go?  
You don't have to do it on your own

Call me up a thousand times  
I'll be there to pick you up, give me a try  
Call me up, forget your pride  
It's lonely yeah, lonely yeah  
In your mind  
In your mind, yeah

Somewhere out there it's okay, yeah  
Just come back, come back at your place  
The next time

Could you wait for me before you go?  
You don't have to run in on your own

Call me up a thousand times  
I'll be there to pick you up, give me a try  
Call me up, forget your pride  
It's lonely yeah, lonely yeah  
In your mind  
In your mind, yeah  
In your mind  
In your mind, in your mind

So could you wait for me before you go?  
You don't have to run in on your own

Call me up a thousand times  
I'll be there to pick you up, give me a try  
Call me up, forget your pride  
It's lonely yeah, lonely yeah  
In your mind  
In your mind, yeah  
Ain't it lonely yeah  
Ain't it lonely yeah  
Ain't it lonely in your mind
