

My Ship

Anthony Strong

My ship has sails that are made of silk
The decks are trimmed with gold
And of jam and spice there's a paradise in the hold

My ship's aglow with a million pearls
And rubies fill each bin
The sun sits high in a sapphire sky
When my ship, my ship comes in

I can wait the years till it appears
One fine day one spring
But the pearls and such
They won't mean much
If there's missing just one thing

I do not care if that day arrives
That dream need never ever be
If the ship I sing doesn't also bring
My own true love to me
If the ship I sing doesn't also bring
My own true love
My own true love to me

Oh, I can wait the years till it appears  
One, one fine day one spring  
But the pearls and such  
They won't mean much  
If there's missing just one thing

I do not care if that day arrives  
That dream need never ever be  
If the ship I sing doesn't also bring  
My own true love to me  
If the ship I sing doesn't also bring  
My own  
My own true love  
My own true love to me
