

# Be All, End All

Anthrax

Yes, no, yes, no  
Not, another word  
You'll know what to do  
Right!  
In your face they see it  
In their face you...  
Take it  
Make up their minds  
Aggression turns the screws  
Fight!  
Take your piece and hold it  
Make your piece and...  
Stand up, you know what it means  
Wake up, time to live your dreams

Down by,  
Law and they can't hold you  
Dictate and control you  
Hold onto your ideas  
Down by,  
Law and no one owns you  
And all the shit they've thrown you  
Pay back is a real bitch

Nothing's ever easy when you do it yourself  
All you can do is try  
Life's not, unfair, life's just life  
Death not suicide

Be all, and you'll be the end all  
Life can be a real ball  
State of mind  
Euphoria

Think,  
On your feet, and stay one step ahead  
Break  
Take your brain and use it  
Take their mind and..  
Change,  
An attitude, like you change your shorts  
Right!  
In your face they see it  
In their face you...  
Stand up, you know what it means  
Wake up, time to live your dreams

Down by,  
Law and they can't hold you  
Dictate and control you  
Hold onto our ideas

Down by,  
Law and no one owns you  
And all the shit they've thrown you  
Pay back is a real bitch

Nothings ever easy when you do it yourself  
All you can do is try  
Life's not unfair, life's just life  
Death not suicide

Be all, and you'll be the end all  
Life can be a real ball  
State of mind  
Euphoria

Always takin, always faking  
Ignorance is so frustrating  
Always taking, always faking  
Ignorance is,  
No way, no way, no way, no way out!
