

## Blood

Anthrax

What do you do when something dies  
A life together has ended, your living a lie  
When did this act become reality?  
Hello conscience, do I laugh or do I cry  
Nothing's ever perfect  
This is just a test

Imagine, imagine saying what can be said  
Imagine, imagine each word a bullet 'til you're dead  
Imagine, imagine killing something you love  
Imagine, just think about living inside

Blood on your hands, blood in my eyes  
Blood I can't keep, blood circumscribes  
Blood on your hands turns into blood in my eyes

And with the blood I can't keep  
Our lives, blood circumscribes  
Brother on, brother on, brother on, brothers in blood

A wave of hatred comes like the flood  
Brother on brother on,  
Brothers in blood  
Hate is so much easier to feel than love  
Brother on brother on  
Brothers in blood

Misery can be so attractive  
When making yourself happy is the only alternative  
At the expense of someone else's life  
Do it for yourself, damn it, do what's right!

Imagine, think about living your life  
Imagine, think about being stabbed with a dull knife  
Imagine, think how sane you'll be when it's through  
Imagine, think real hard then do what ya gotta do
