So I Say to You  
So You Look at Me  
What Do I Have to Do?  
And You Look at Me  
So I Say to You  
You Just Look at Me  
What the Hell Do You See?  
Do I Hate You?  
No, I Don't Think So  
Words Don't Describe What My Feelings Know  
Do I Hate You?  
No, and I Refuse to Go  
Down to Your Level Just to Feed My Ego  
Do I Hate You?  
Yes, I Got it off My Chest  
I Hate You for Making Me Regress  
Stop, Stop, Stop, Stop  
Looking at Me  
What Do You See?  
I Don't See in Black and White  
I See Things in Wrong and Right  
Do I Hate You?  
Think, it Takes a Man to Think  
And to Admit His Ignorance  
You Can't Just Look at My Face  
You Can't Judge Me by My Race  
We Gotta,  
Stop, Stop, Stop, Stop  
What Do You See?  
So I Say to You  
Just Look at Me

I Say to You  
Different and...  
All this Hatred  
All this Hatred  
And Do I Hate You?  
I Can't Take it  
All this Hatred  
You May Not Know this  
We May Be Different  
Different but Equal  
Different and Free  
You May Not Know this  
We May Be Different  
Different but Equal  
Different and Free  
All this Hatred  
All this Hatred  
And Do I Hate You?  
I Can't Take it  
Stop this Hatred  
Now!  
Do I Hate You? Do I Hate You? Yes  
Do I Hate You and Placate You? Ohh  
Do I Hate You? Do I Hate You? No!!  
No, I'm Not That Arrogant

To Not Admit My Ignorance  
And Do You Think I Really Care  
When You Sit There and You Stare  
I Can't Help Feel Sorry for You  
And Maybe Even Pity Too  
My Answer's No and this Is True  
Do I Hate You?!  
All this Hatred  
All this Hatred  
I Can't Take it  
All this Hatred  
You May Not Know this  
We May Be Different  
Different but Equal  
Different and Free
