I thought I knew what provocation was I thought I knew what provocation was I've eaten from the insane root that imprisons reason It's in my stomach like fire, like cancer Like a knife I've been gunshot I gotta let it go I gotta let it go I gotta let it go I gotta let it go, yeah Goddamn, nowhere place to be Dying deep inside of me Always standing on the inside looking out Can't break a heart so strong with pride It's more than just being alive I broke the rule with you, I'm out My only antidote to mental suffering Is physical pain I've eaten from the insane root that imprisons reason I've eaten from the insane root that imprisons reason It's in my stomach like fire It's in my stomach like cancer It's in my stomach like a knife I've been gunshot I gotta let it go I gotta let it go I gotta let it go I gotta let it go, yeah It's in my stomach like fire It's in my stomach like cancer It's in my stomach like a knife I've been gunshot Goddamn, nowhere place to be Dying deep inside of me Always standing on the inside looking out Can't break a heart so strong with pride It's more than just being alive I broke the rule with you, I'm out Goddamn, nowhere place to be Dying deep inside of me Always standing on the inside looking out Can't break a heart so strong with pride It's more than just being alive I broke the rule with you, I'm out, out, out Goddamn, nowhere place to be

Dying deep inside of me

It's more than just being alive
I broke the rule with you, I'm out

Always standing on the inside looking out Can't break a heart so strong with pride Goddamn, nowhere place to be
Dying deep inside of me
Always standing on the inside looking out
Can't break a heart so strong with pride
It's more than just being alive
I broke the rule with you, I'm out, out, out, OUT!!
