

# Keep It in the Family

Anthrax

Mankind,  
The public enemy's not the man who speaks his mind  
The public enemy's the man that goes and acts blind  
Searching for an answer that he'll never find  
An action from reaction and you can't make a retraction  
Once you've put your head out  
And then you're blue in the face,  
As you try to state your case

You can think with your dick but it can't shout  
Yo, I try to understand what the hell is going on  
I can't imagine how things ever got so far gone  
You separatists, say you want your own state  
I'll give them a state, a state of unconsciousness  
Retribution, no solution, constitution  
Discrimination, through the nation, raining hatred

I yell, when there's schism you must rebel  
I yell, so you'll hear  
I yell, I refuse to live, in, your hell  
I am what you fear  
I'm the truth, I don't keep it in the family  
Live your life, take someone else

Keep it in the family  
The real world's outside your door  
You can't keep it in the family  
You've got the longest way to fall

Keep it in the family  
Don't even try to tell me what you think is right  
When to you blacks are niggers and jews are kikes  
And you expect to be taken seriously  
But your actions, they're more than curiously  
Juvenile, you emulate what you hate  
And you don't even know why you feel this way  
'Cause daddy hated this and mommy hated that  
And your own ability to reason's like a tire gone flat  
Yo, I try to understand what the hell is going on  
I can't imagine how things ever got so far gone  
You separatists, say you want your own state  
I'll give them a state, a state of unconsciousness  
Retribution, no solution, constitution  
Discrimination, through the nation, raining hatred

Keep it in the family  
The real world's outside your door  
You can't keep it in the family  
You've got the longest way to fall

When you keep it in the, when you keep it in the,  
When you keep it in the family

Acting out of pure cold hatred  
'Cause of what another's race is  
Color of another's face is  
Different, and your own frustrations

Taking on a violent nature  
Full of hate, so full of hate  
You'd kill a man is that your fate  
Your street becomes a police state  
Why the hell do you hate?!  
Hate, hate!!!  
I'm not gonna stand for it  
Someone's gonna pay for it  
I yell, we rebel  
We're the truth and we won't keep it in the family  
Live your life, take someone else

Keep it in the family  
I'm the thing that you most fear  
I don't keep it in the family  
I am the truth you won't hear

Keep it in the family  
You can't keep it in the family  
You've got the longest way to fall  
Keep it in the family
