Anti-Violent

Anti-Flag

100 years just having fun
until you come (2x)
with your steroid arms
and skinny head
skinny head

you cut your wrists
slash your face
call it performance art
tryin to be cool
you're ignorant

anti-violent (3x)
anti, anti

you start a fight
drink beer all night
and molest the little girls

tell everyone there
that your physco
phys phys physco

well i dont think your physco
your just another show off
go shoot up
just one last time

anti-violent (3x)
anti, anti

we dont need your war (3x)

anti-violent (3x)
anti, anti
anti-violent (3x)
anti, anti
