Constant and motionless,  
It's waiting and will be,  
Constant in absolute silence  
Can bring disagreement,  
Lack of measure and disgrace,  
Can spread the time of wrath  
Hanging within infinite space,  
It's waiting and will be,  
Cause no one is looking for it  
The message unknown,  
Unwanted information  
So let it wait frozen,  
The nameless message,  
The endless wait  
Nobody needs it  
So why do you want to know
