

## The Insolent

Antigama

The most demanding enemy  
sneaks in silence  
planning the next blow  
the opponent inside

the insolent  
my inner enemy

has been my brother  
a moment ago  
the foe inside

love to destroy  
destroy to salvage

the most demanding enemy  
merging with environment  
he stays  
silent so that I need him

my inner enemy  
the insolent
