

## Leftover Wine

Antimatter

What do you do when the people go home?  
And what do you do when the show is all done?  
I know what I'll do in the alone of my time  
But what will I do with the leftover wine?

A line from a poem of my childhood has said  
That visions of angels are gonna dance in my head  
I know what I'll do in the alone of my time  
But what will I do with the leftover wine?

I'm gonna drink some of yours, if you'll drink some of mine  
And I'm gonna run to the people, sing them a song of mine  
You know I'm gonna do anything just to take up time  
But what will I do with the leftover wine

So what do you do when the people go home?  
And what do you do when the show is all done?  
I know what I'll do in the alone of my time  
But what will I do with the leftover wine?

I'm gonna drink some of yours, if you'll drink some of mine  
And I'm gonna run to the people, sing them a song of mine  
You know I'm gonna do anything just to take up time  
But what will I do with the leftover wine
