Antique

Se thelo

The first time that I saw you  
I didn't know just what to do,  
Suddenly I heard you say  
That you wanted me to stay

Mono me sena  
Only for your eyes  
Se thelo gia mena  
I wanna hear you say "I love you"  
I wanna hear you say "I do"

Se thelo, se thelo, I wanna know  
Ki esy me thelis kai to xero  
Why can't it be just you and me  
For ever and ever  
Se thelo, se thelo, I wanna know  
Ki esy me thelis kai to xero  
Why can't it be just you and me  
Together through eternity

When I look into your eyes  
I feel like I'm in paradise,  
Always when I think of you  
I know what your love can do

Mono me sena  
Only for your eyes  
Se thelo gia mena  
I wanna hear you say "I love you"  
I wanna hear you say "I do"

Se thelo, se thelo, I wanna know  
Ki esy me thelis kai to xero  
Why can't it be just you and me  
For ever and ever  
Se thelo, se thelo, I wanna know  
Ki esy me thelis kai to xero  
Why can't it be just you and me  
Together through eternity

The first time that I saw you  
I didn't know just what to do,  
Suddenly I heard you say  
That you wanted me to stay
