

Bloodhunger

Antropofagus

Hunger for extinction of the human race,
To suffer and to hurt for pleasure
Taking delight in seeing blood squirting.

Will of getting the extreme pleasure, self-contempt,
Feeling the...the extreme pleasure of flesh.
Visions blooddrivers squirting.
You know corporeal tortures the last one .
Take the lancet, start the deed,
Begin to slash your naked body.
Scream with pleasure (and pain), dread disappears,
Pleasure rises as the speed of the lancet!
Bloodhunger, yellow walls bloodstains,
You are now covered with blood.
Top of the pleasure, total excitement:
Your penis amputated.
Open a passage in the stomach,
Throw your member inside, then die!!

You know-corporeal tortures the last one.
Bloodhunger, yellow walls bloodstains,
You are now covered with blood.
Young brothers find the corpse.
Cadaver's satisfied face attracts guys attention.
Desire of pleasure. Strip, take the lancet that night...
We are the sons of blood,
As we live by bloodhunger.
We are the sons of pleasure,
As we die by bloodhunger.
