

# C'est La Vie

AntsLive

Bang, alakazam  
I just turn 5-10  
Houdini (magic)  
I eat my greens that's broccoli and zucchini  
I get paid in cash and keep these ps inside edamamame  
What will be will be, que sera sera, Cest-La-vie

Selective bad one she don't date man who ain't taking her nobu  
That Sashimi salmon with kimchi rice on the side and black bean tofu  
You ain't got paper plans I'll show you baby I think I owe you  
I come a long way from 016 late nights I was calling your phone for comfort  
Patron and Southern comfort  
I ain't autistic I'm Counting up numbers  
My old friends Rubbed no rubbers  
Thank god I found me others  
Rip To Aunty T she ain't never see me living in luxury  
I fell on my knees and grieved but I stay in one piece no dungaree  
Wise man say I got no knowledge I don't acknowledge I'm twiddling thumbs in college  
I can't keep enemies close got real ones round me the crew so solid  
Extra extra read all about it I am the new topic  
My social numbers just Skyrocket go to bank numbers deposit

Bang, alakazam

Wingardium leviosa man moving forward  
Saviola this sandy beach in barcelona  
Got bum and breast and Areola still catching flight no xenophobia  
Fatboy im wherever the cake is  
The way I just turn this whizz to a spaceship  
Same way I went from C to a A list  
B cups to double ds Brazilian bumlift body upgraded  
But I liked her natural that's cellulite no facelift  
Youngboy overachieving heart on my sleeve when I'm public speaking ay  
If I ever go broke I'll wake up next day I know that I must be dreaming  
Spidey sense, tarantula  
She broke my cardiovascular  
Don't desert me, Baclava  
I need one more night like a bachelor  
Still get it and flip it no spatula  
My life like Groundhog Day  
Cos everyday the same wake up cake up gotta get in  
No lay lay
