She ain't met no one like me (Ayy)  
She say I'm uncommon  
Wanna fuck me in this foreign, mm  
Live

She ain't met no one like me, ayy  
She say I'm uncommon (Different)  
Wanna fuck me in this foreign  
We got that in common (Foreign)  
I'm up but I came from the bottom (Below)  
I haven't forgotten  
You say money won't make you happy  
If I give you ten bags, let's see (Ayy)  
Let's see, let's see (Let's see)  
Respectfully  
Waiter, waiter, I need a bottle of still and two of the specialties  
Waiter, waiter, bring me the waitress, waitress, bet I can double her C's  
She come from a silver spoon, I cut that off, cutlery

Check, check, check this (Check it)  
I'm OTT and OCD and reckless  
Can't say I'm on DND when I got more buzz then a text message (Brr)  
I leave good impressions, so I get love in the comments section  
She only five-foot-two in business class  
She don't need that legroom  
They, they, they chat on the net, more is less  
Please don't kiss and tell  
I shut down shows in Ireland  
Coulda put that mosh pit on the Riktor scale  
Hectic  
I put her first, I'm sexist  
I tell her lean back, yoga, downwards dog  
Let's see if I stretch it (Aye), stretch it  
Let's, let's see if I make it happen (Yeah)  
Gift wrap this tune, I bag it and slang it  
The music just like trapping (Trap)  
I rap till I get that cash in, cash in  
They rap for a caption  
I had to double-tap that, tap that  
Cuh lil' miss is tapped in (Live)

She let me hit because of these followers, 'cause of this music, 'cause of t  
his blue tick

I was a underdog like Usyk, I looked at bro, I said, "Come, let's do this"  
Tracksuit bummy, now I look lovely, feeling flicky, throw up deuces  
I'm at the corner shop with a ten pound note tryna buy some tropical juices  
Mix that  
I get that, flip that, flip that (Flip that)  
I'm in the vip, vip, vip  
Don't need no wristband, wristband (Don't need it)  
I might fly Sweden, Finland  
I travel the world like Sinbad  
I turn off my Snapchat map  
Can't locate me, you don't where I been at (Ayy)  
Been at (Wait)  
Low-key, low-key  
I need the factory reset, I need the Rolie, Rolie  
Can't, can't say that I switched up, look at my previous picture see me with  
broski  
He on my left like stoney (Stoney)  
The money still role like poley (Poley)  
(This money still keep me cozy)
