

Baby I'm detoxing
I can't drop no meedy track cause the whole of the scene watchi
ng
One right move might change your life ye I see it often
I weigh up another option
Do I change my mind do I stay locked in
And I don't wanna fly there solo dolo I want the whole team wit
h me
I hate when they don't say thanks for a handout they ain't got
decency
Recently I tell mum that I love her I'm saying that frequently
Everyone got self doubt sometimes but the difference is when I'
m down I still believe

He just like me ye we got pipe dreams but
I'm still grateful for the life I lead
Back then I might creep and teeth hide my face from CCTV
Everything subjective but I'm saying my peace cuh they listen t
o me
I see the future That's So Raven you think
Ima visionary
If things get anymore busy I'll need me a social media manager
I pace myself each step of the way but I got bare stamina
I'm doing up studio traveller I don't forget to update my calen
dar
They thought how I move was amateur now they see ima different
calibre
I been doing it differently
She making her list the of the icks of me
She saying that I'm never on time and I call her inconsistently
I tell her I'm sorry that's life my bad
She think that I'm bait Ima local lad
Last year I was bagging up loud but I came a long way that

I don't wanna drink no yak right now
Baby I'm detoxing
I can't drop no meedy track cause the whole of the scene watchi
ng
One right move might change your life ye I see it often
I weigh up another option
Do I change my mind do I stay locked in
And I don't wanna fly there solo dolo I want the whole team wit
h me
I hate when they don't say thanks for a handout they ain't got
decency
Recently I tell mum that I love her I'm saying that frequently
Everyone got self doubt sometimes but the difference is when I'
m down I still believe
