

I hit my old one  
I hit my new one  
Turned her my to new one

I hit my old one turned her my to new one  
I gave her the peace sign then we had a threesome  
We bout to toast up cause she had a glow up  
I'm so proud of you babygirl you looking decent

Go shawty  
Who's watching  
Nobody  
Turn me to a Homebody cause you sweeter than some  
Ahhh!  
Speed up  
Bugatti  
You so wet  
Tsunami  
Hit the g-spot made this lil baddie  
Ahhh

Dolce and Gabbana  
She mix it with Prada  
On her body is Chanel that be her body armour  
On his person he got something just in case there's drama  
I hit in the lobby then I hit in the parlour  
Suicide doors sliding on the tenth floor  
That's just how we living baby this is what we meant for  
Throw your gang signs go and rep your set more  
Can't be scared of heights when I'm high enough to  
Brrrrr

I ain't never come down  
Everytime I touchdown, that's a fucking shutdown  
I can't wear no Alexander McQueen's cause they're rubbed out  
I'm fucking on this lil baddie till the sun's out

I hit my old one turned her my to new one  
I gave her the peace sign then we had a threesome  
We bout to toast up cause she had a glow up  
I'm so proud of you babygirl you looking decent

Go shawty
