

# The Re-Formation Show

Anubis Gate

Morning comes early  
And nighttime falls too late  
Sometimes my shoulders bend from the weight

I've listened for hours  
To the voices from within  
Arranging my warfare as I'm shedding skin

It's been a long long time  
That I've been down this hole  
Separated from my deepest soul  
It's recreation time  
And though it scares me so  
I'm off to see The Re-formation show

I'm usually hiding  
While the world around me grows  
Into the kind I'm reluctant to know

But lately I've wondered  
If the sun would take me in  
To cope with the life I long to begin

It's been a long long time  
I lost my self-control  
Separated from my deepest soul  
It's dissolution time  
and I'm about to go  
Off to see The Re-formation show

Life goes on

It's been a long long time  
That I've been down this hole  
Separated from my deepest soul  
It's disillusion time  
I was supposed to go  
Off to see The Re-formation show
