

Karta main baatein meri aaine se dekhun teri
Tujhse kaise, khul ke vaise bolun main ye raaz dil ke?
Ab tere saamne huin, kitna kuch main kehna chahun
Mujhko yeh bata de phir kyu khojun main alfaaz milke?
Dekho, ye aaina, aaye na tu kyu yaha?
Aaine mei saath mere teri hi toh hai jagah
Uljha huin alfaazon mei hi, nikle na aawazon mein ki
Paas mere, paas mei aaja, aaja na

Aa re aa, aa re aa
Aa re aa, aa re aa
Aa re aa, aa re aa
Aa re aa, aa re aa

Tere sitaaron mei yaan ik taara hazaron mei kya?
Mere inn sawalon ka main dhoondhun yun jawaab aise
Lakhon, hazaaron mein kya? Maamuli kirdaaron mei yaan
Aaun inn khyaalon mei main banke kuch nayaab aise
Tu hi hai aasmaan, mere dil ko aazma
Aasmaani taaron mei main dhoondhun yun apni jagah
Mere bhi khayalon mei tu, duniya ke kinaaron se yun
Paas mere, paas mei aaja, aaja na

Aa re aa, aa re aa
Aa re aa, aa re aa
Aa re aa, aa re aa
Aa re aa, aa re aa

Sun toh
Ek din yeh dil mera hoga benaqab, haan
Aur phir tujhe nazar aayega ki
Antariksh ki tarah yeh hai behisaab sa
Aur sab tera yeh ho jayega hi

Dil ke afsaane mere keh na paaya saalon se main
Sochun yeh khazaane mere baantun saare aaj tujhse
Bante bahane mere, taalun kyu najaane kal pe?
Huin jo ab main pass tere baitha huin naraaz khud se
Band hai taalun mei, taalun saari baatein yeh
Taalun saare baatein kya main tere intezaar mei?
Rehta huin ummeedon mei kya? Tu hi mujhko keh degi aa
Paas mere, paas mei aaja, aaja na

Aa re aa, aa re aa
Aa re aa, aa re aa
Aa re aa, aa re aa
Aa re aa, aa re aa

Aa re aa, aa re aa
Aa re aa, aa re aa
Aa re aa, aa re aa
Aa re aa, aa re aa
