

## Bottom Line

Anvil

Good news, bad news  
Which do you want first?  
All for the better  
Not for the worst  
Tally up the winnings  
And hope you are fine  
When luck is on your side  
You know it's a good sign  
A good sign

It's the bottom line  
Bottom line

Random acts of kindness  
Repay in spades (Spades)  
An undying love  
That never fades  
That never fades

Bottom line  
It's the bottom line  
Bottom line

Take control of what you can  
Stay on track, stick to the plan

Life can throw a curve ball  
Which way will it go?  
Striking out is not a choice  
Losing, you'll never know  
Looking for something  
To give you a sign  
What's yours is yours  
What's mine is mine

It's the bottom line
