

Gasoline

Anvil

Dependent people
The innocent will pay
Increasing profits
Billions a day
Greedy selfish business
A means without an end
Government complicity
The enabling friend

Gasoline

Liquid gold
Real currency
Politically controlled
World economy
Environmental damage
The cost to humanity
Will there ever be justice
Or some sanity?

Gasoline

Alternative options
The way to forge ahead
Renewable energy
It's already been said
Environmental damage
The cost to humanity
Will there ever be justice
Or some sanity?
